

2022-2023 Season Auditions

BRASS AND WOODWINDS

Audition/Acceptance Requirements

1. Audition Eligibility: Students in grades 5-12 in the 2022-2023 (upcoming) school year.
2. Students must register to audition by May 6, 2022.
Audition registration links and information can be found at youthsymphonykc.org
3. Once your initial registration is complete you will receive an email with a link and directions for uploading your video audition.
4. Audition/acceptance videos must be uploaded/received by May 13, 2022.

What should you prepare and record?

1) Solo or excerpt of your choice (2-3 minutes)

Solo or excerpt choice should best display your highest playing ability. This can be an entire 2-3 minute solo, 2-3 minutes of a longer piece or an excerpt from school orchestra or band music that you have performed. Video recording does not need to have piano accompaniment. However, you can submit a video with piano accompaniment. Video can be from a school or studio recital or other public performance. If you are submitting an orchestra or band excerpt your video must be only you performing. Please do not submit a video with the full band or orchestra. This is your chance to really put your best "musical foot forward" and shine! Memorization is not required.

2) 2 or 3 octave chromatic scale of choice (brass and woodwinds only)

Memorization is not required.

What happens after I submit my acceptance/audition videos?

1. Judges will listen to your video recordings and recommend program acceptance and ensemble placement. Judges will rate your performance in the areas of tone quality, pitch accuracy, rhythm, technique, intonation, expression, and preparedness.
2. Acceptance and ensemble placement is based on criteria listed above in addition to grade level, instrumentation needs and orchestra/ensemble availability.
3. Program acceptance and ensemble rosters will be posted at youthsymphonykc.org by June 1, 2021.
4. Accepted students will receive detailed season information, season registration, and rehearsal/concert schedules after June 1.

Previous participation the Youth Symphony of Kansas City does not guarantee acceptance or ensemble placement. All ensemble placements are final. Scoring, judge comments and recommendations are not discussed with students, parents, private teachers and/or school music teachers.
